

Please find enclosed the Christmas Menu for this holiday season approaching.

In the 25 years which PJ's has been established we have always found that giving the customer what they require at a reasonable value will help guarantee successful & happy visits. Hopefully you will agree that the enclosed menu represents a great cross section of tastes which include traditional favourites as well as vegetarian & gluten free options. The price of the menu is £29.95 per guest plus 12.5% service charge.

Once again parties of 8 or more will be accommodated for lunch from 2:30pm – 5pm. Dinner bookings can be made for 7:30pm -10:30pm. A deposit of £10.00 per guest will be required to secure the booking this deposit will be taken off the final bill.

It is our policy once again this year to prohibit both spray string and party poppers – any damage to the interior of PJ's will have to be billed to the guest or company responsible.

We look forward to hearing from you soon with regards to your booking and if you require any special dietary needs please feel free to call as we will promise to be more than accommodating.

Please fill out the bottom of this letter and return it to PJ's with your appropriate deposit.

Sincerely,

Bill Reinking
